FOR IMMEDIATE RELEASE "October is Adopt-A-Shelter-Dog Month!"

San Bernardino, CA –The San Bernardino County Animal Care & Control Program along with the American Humane Association are declaring the month of October as "Adopt a Shelter Dog Month."

You can save the day for a homeless dog, and find a companion who will be by your side for all of life's adventures by adopting a dog from your local shelter. The County's Animal Shelters located in Devore and Big Bear always have a variety of pets to choose from including mixed and purebred dogs in a wide range of colors, sizes, ages, and personalities!

If you are looking to add a new four-legged friend to your family we would like to invite you to visit the Devore shelter located on 19777 Shelter Way in Devore, or the Big Bear Shelter located at 42080 North Shore Dr. in the city of Big Bear and adopt one of the many homeless dogs who are now available for adoption.

The County's website is also available at www.sbcounty.gov/acc, where you can view all the wonderful animals available for adoption. For more information, please call the San Bernardino County Animal Care & Control Program toll free at 1-800-472-5609.
